Treasure

We know that this information is sensitive and will be kept completely confidential. If you are willing to do so, please take this form home, fill it out, and seal it in the envelope provided and hand it to the usher next Sunday during the time appointed. They will then be dedicated at the altar. Next year you will receive back the sealed envelope so you can compare your planned giving with what you actually gave. This is between you and your Lord and Savior. Our goal in doing this is simply to help us become more intentional in our financial stewardship.

For where your treasure is, there your heart will be also. (Matthew 6:33)
